Sir:

SUPPLEMENTAL SUBMITTAL OF DOCUMENTS PURSUANT TO DUTY OF DISCLOSURE

Pursuant to applicant's duty of disclosure under 37 CFR
Section 1.56, enclosed is a completed form PTO-1449 as well as
copies of the cited documents which relate to the above-referenced
patent application. Since this document submittal is being
presented prior to the first examination on the merits, no fee is
due herewith.

US Patent No. 5,117,354 to Long et al. discloses an automated
system for pricing and ordering custom manufactured parts.

US Patent No. 5,508,817 to Kunigami discloses an electronic
mail accounting system.

US Patent No. 5,734,901 to Sidhu discloses electronic mail
information associated with native application data.

US Patent No. 5,793,497 to Funk discloses a method and
apparatus for delivering and modifying information electronically.

US Patent No. 5,805,811 to Pratt et al. discloses dynamic electronic mail facility for applications executing in an integrated operating environment.

US Patent No. 5,818,447 to Wolf et al. discloses a system and method for in-place editing of an electronic mail message using a separate program.

US Patent No. 5,826,269 to Hussey discloses electronic mail interface for a network server.

US Patent No. 5,860,068 to Cook discloses a method and system for custom manufacture and delivery of a data product.

US Patent No. 5,867,281 to Nozoe et al. discloses electronic mail system and method.

US Patent No. 5,890,139 to Suzuki et al. discloses an answering method in online shopping.

US Patent No. 5,906,656 to Keller et al. discloses a method and system for providing actions by way of electronic distributions.

US Patent No. 5,956,486 to Hickman et al. discloses a method and apparatus for monitoring multiple electronic mail systems.

US Patent No. 5,974,449 to Chang et al. discloses an apparatus and method for providing multimedia messaging between disparate messaging platforms.

The listed documents are brought to the Examiner's attention because they are known to the applicant and/or the applicant's attorney and may be considered by the Examiner to be material to his/her examination. This listing should not be construed as representation that a search has been made or that no better art exists. No inference should be made that the documents are in fact material merely because they are referenced herein.

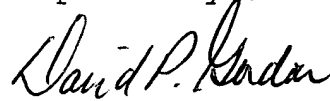

RECEIVED

JAN 24 2 30

GROUP 2790

Moreover, no representation is made that the brief descriptions the references herein necessarily describe the most material aspects of the references. Further, by this listing, the applicant is not making any admission regarding the relative of the invention and listed disclosures.

Respectfully submitted,

David P. Gordon
